Without a doubt, one of the most spectacular and truly unique penthouses I have seen in my 30-year real estate career with drop jaw view! Occupying the entire sixth floor of the Mauna Loa, this extraordinary residence is unlike anything else in West Van. Inspired by Japanese and Polynesian architecture with a distinctive West Coast resort aesthetic, the home has been completely renovated. Interior features two bedrooms, two full bathrooms, hardwood floors, separate laundry room, new appliances, new trex deck with electric awning, extensive upgrades throughout. But what truly sets this penthouse apart is the outdoor living and view of Lions Gate Bridge, Vancouver's Inner Harbour, and west toward Vancouver Island. Minutes on foot from the seawall and prime Ambleside Village! One of a Kind!
